

Safety Tips For UPI Transactions

Safety tips of the UPI Safety Shield

Tip 1

Always verify the UPI ID of the person before making payment

Tip 2

Enter UPI PIN on UPI PIN page only and never share it with anyone

Tip 3

Entering UPI PIN means money getting deducted from your account. Scanning QR is for making payment, not for receiving money

Tip 4

Check SMS when money is deducted

Tip 5

Use UPI-Help for transaction related concerns
