## CYBER JAGROOKTA DIWAS

### Online Portal Best Practices

#### Best Practices

- For registering in online portals, use separate email address and phone number.
- When someone online approaches you for money, proceed with caution and avoid further calls/ messages from them.
- Do not share any personal information with online friends.
- Do not upload your personal photos online unless it is extremely necessary.
- Use your privacy settings to restrict who can see your contact information and profile picture.
- If you become a victim of cyber bullying or cyber fraud, call 1930 or report at <https://www.cybercrime.gov.in>
